TO PARENTS OF STUDENTS ATTENDING Kilgore Independent School District:

Under the No Child Left Behind (NCLB) Act of 2001, a Title I, Part A-funded local education agency (LEA), or school district, that has not met AYP for two or more consecutive years in the same indicator (reading, mathematics, attendance rate, or graduation rate) is subject to LEA-level Title I School Improvement Requirements. Based on the 2010 LEA AYP Status released August 5, 2010, Kilgore I.S.D. is subject to the LEA-level School Improvement Program (SIP) requirements for Stage 1 for the during the 2010-2011 school year.

The NCLB statute requires the district to notify you of this status and to provide you with the following information. However, the requirements described in this letter must be implemented for the entire school year, regardless of the outcome of the appeal.

If an LEA that is receiving Title I, Part A funds does not meet AYP for two consecutive years for the same indicator, that LEA is subject to certain SIP requirements. For additional information about the AYP definition please visit TEA's website at <http://.ritter.tea.state.tx.us/ayp/>.

Within three months after being identified for improvement, an LEA must develop or revise its district improvement plan in consultation with parents, school staff, and others. The district improvement plan must meet certain requirements, one of which is implementing strategies to promote effective parental involvement in the district. To view additional district improvement plan requirements, please visit this link: <http://ritter.tea.state.tx.us/nclb/titleia/sip/2010-2011/sip.html>. The district will be implementing the following activities to address the reasons the district has been identified for district improvement: scientifically based researched activities; data analysis, and staff professional development.
