

## KISD POLICY REGARDING USE OF CELL PHONES AND OTHER ELECTRONIC DEVICES DURING TAKS TESTING

- 
- The use of cell phones or other two-way communication devices is prohibited during testing for students and test administrators. This policy includes iPads, Kindles, Nooks, and any other device capable of sending and receiving messages.
- The reason being these devices have the potential to....
  - disrupt the testing environment,
  - be used to cheat by obtaining unauthorized assistance on test content by students, and can
  - be used to image secure tests and compromise the confidentiality of the test with their camera feature by students and teachers.
